

Job Description for EnSec Pest Control Service Technician

We are a local, family-owned pest control company based in Florida, providing service to Southern Alabama. We are expanding and looking to hire a highly professional pest control technician in the Mobile, Alabama area.

We look for solid hard working individuals to become Professional Pest Control Service Technicians. This position offers the satisfaction of delivering great customer service without being tied to a desk.

Experience is preferred, but for the right candidate we do include a fully paid comprehensive training program. Your skills development will include company supported career advancement and state licensing. Qualified candidates must be self organized; have good communication and computer skills; excellent observation and documentation skills; and be able to work cooperatively with customers and at all internal levels including top management.

Your work will include:

- Visually inspecting and treating for pests, pest harborage, and pest entries
- Building and maintaining good customer relations
- Taking personal initiative and responsibility for correcting pest problems
- Participation in group meetings and account reviews
- Completion of independent and group on-going training and willingness to work flexible hours
- Being an interactive member in a team work environment
- Be responsible for the day to day operation of a pest control route
- Actively engaging with existing and prospective clients in order to grow the route(sales)

We require technicians to:

- Possess a valid driving record that meets Company standards
- Show a stable work history
- Work independently and in teams
- Be comfortable working with insects and various small animals in a variety of environmental conditions and confined spaces.
- Satisfactorily complete initial technical training, State Licensing requirements
- Pass a pre-employment drug screen, motor vehicle check, and criminal background check

We offer excellent pay, and benefits including medical, dental, life and disability plans.

We ask that all interested candidates email a resume to corp@pest.com or call Clint at 251-210-7263. We are proudly an Equal Opportunity Employer!
